### **McMow Art Glass Receives Business of the Year Award from Chamber of Commerce**

Lake Worth, FL – The Greater Lake Worth Chamber of Commerce is awarding McMow Art Glass, Inc with its inaugural “Dream Big – Business of the Year Award.” The award will be given at the Chamber’s Installation Dinner & Business Awards on Friday, November 12<sup>th</sup>.

The award recognizes a business in the Lake Worth community that has taken special interest in giving back to the community, as well as being a quality business provider to its customers.

“The Greater Lake Worth Chamber of Commerce is pleased to honor McMow Art Glass with this award. The award is presented to a business that is an example of dedicated leadership, a contributor and caretaker of the spirit of entrepreneurship while serving the business community,” said Executive Director of the Greater Lake Worth Chamber of Commerce, Beth Johnston. “This is the first year the chamber has presented the “Dream Big, Business of the Year Award” and it is our intention to have Shanon and Phil help choose the winner in future years.”

McMow Art Glass is a family owned, stained glass studio that has built tiffany style windows since 1976, and has been located in Lake Worth for the past 18 years.

“McMow is so thankful for the recognition from the Chamber of our efforts over the last year. It has been a struggle, but we are proud of turning out a quality product throughout the economic downturn,” said McMow President Shanon Materio. “Our employees are like family and so is Lake Worth. We will always strive to give back to this community we cherish. Keeping the arts and a healthy business community alive is critical to job creation, and the survival of this unique City.”

*McMow Art Glass offers the best in stained glass windows and beveled art glass as well as beautiful designs in carved and etched glass. Located in Palm Beach County, Florida since 1976 McMow Art Glass maintains an excellent working relationship with top builders, architects and designers and regularly ships their work throughout the US, Europe and South America.*
