

MCMOW
ART GLASS

CREATING WORLD-RENOWNED
CUSTOM ART GLASS SINCE 1976

OUR STORY

For more than 45 years, McMow Art Glass has been a leader in the art glass industry, creating custom designs for luxury homes, yachts, places of worship, and commercial spaces.

The McMow Art Glass team consists of skilled artisans and masters in the highly specialized world of art glass. Family owned since 1976, the McMow name is synonymous with quality and creativity.

GLASS AS ART

Art glass gives your home a touch of elegance by elevating the style of your front entryway, transom, kitchen cabinets, decorative windows, ceiling domes, and more. McMow's residential services include stained, etched, carved, laminated, mosaic, and fused glass.

Smith and Moore Architects, INC.

UNIQUE GLASS APPLICATIONS

McMow Art Glass specializes in modern glass applications that are unique within the art glass industry. McMow's custom, one-of-a-kind designs are hand-crafted in the United States by expert craftsmen and highly skilled artisans using innovative techniques that can be traced to centuries-old traditions. By combining Old World craftsmanship with a modern vision, McMow creates original masterpieces for today's lifestyle.

INSPIRED BY HISTORY

Enhance the architectural style of your home with art glass that is inspired by history. From the Mediterranean and French Riviera to the famed glass windows of Addison Mizner, the artistic team at McMow Art Glass will create designs that complement any historic style.

GLASS RESTORATION & REPAIR

In addition to designing and crafting the finest custom art glass, McMow's glass masters are experts in art glass restoration, repair, and historic preservation. Whether your existing art glass needs protection from the elements or major restoration work, McMow will help preserve and extend the longevity of your investment.
